

Open Call for Museum Wall Space

WAM has wall space but it is limited. Our space is more conducive to showing small works that can be arranged in a salon style fashion. However, we are open to all creative concepts for this space, including small installations—something that could really awe visitors as they witness women's creativity when it comes to small spaces. We will also display all works in your exhibit online for future reference and added promotional opportunities for the artist.

Museum Layout: The museum is about 90 square feet with a shelving unit and desk on the far side when you enter. The walls are almost 9' high, white with 6 ft., 4 ft. and 3 ft. available for artworks. There is a space above the shelving unit for one artwork with a maximum size of 14 inches high by 2.5 ft. wide, including frame. We also have one (1) glass display case (small grey square) with three shelves that can take works up to 12 inches. The number of works you submit will depend on the size of your works. The glass shelving unit can be removed if your exhibit does not require it. The other shelving unit has a permanent exhibit about the museum on display.

Exhibition and Opening dates: The works will be on display for three to four weeks. And yes, even for our small space, we have openings. They are on the first or second Saturday from 2 pm to 4 pm depending on the availability of the artist. We use a board room to set out refreshments. This is where visitors can mingle and speak to the artist, pick up information on their work and sign the guest book. If the artist so wishes, we can set up a visual presentation if they want to give a talk about their work as part of their opening.

Ongoing call for submission for exhibits in late 2017 and 2018.

To send your submission to exhibits@wamsoc.ca or via snail mail to Women's Art Museum, #200, 8627 - 91 Street, Edmonton, AB T6C 3N1.

NOTE: The attached submission form must accompany your artworks.

Artist Fees/Sales: WAM cannot offer any artist fees at the moment but you will get a one-year WAM membership and the satisfaction of being represented in the only museum in Canada dedicated to preserving women's visual heritage. All art sales are handled directly by the artist; some assistance will be provided by WAM on a per case basis. WAM will provide potential purchasers with artist's contact information.

For more info on the museum, please contact Danielle at 780 803 2016 or info@wamsoc.ca.
